Winner Selection

One (1) winner will be selected by random draw from all eligible entries received during the Contest Period. The draw will take place on or around **Monday, October 19, 2026, at 10:00 a.m. EST.**

Skill-Testing Question

Before being declared the winner and receiving any prize, the selected entrant will be required to correctly answer, unaided and within a limited time, a time-limited mathematical skill-testing question administered by WUSA, without the use of a calculator or other assistance. This is a mandatory requirement and a condition of receiving the prize. If the selected entrant fails to answer the question correctly or does not complete it within the time allowed, they will be disqualified and an alternate eligible winner will be selected by random draw, subject to the same requirement.

Winner Notification

The selected winner will be contacted using the contact information associated with their entry. The winner must respond within **48 hours** of notification to claim their prize. If the winner cannot be reached or does not respond within the specified time, an alternate eligible winner will be selected by random draw.

Prize Claim

The prize must be claimed **in person** within **two (2) business days** of notification. The winner must present a valid WatCard for verification. Prizes cannot be transferred or exchanged for cash or other substitutes.

Publicity Release

By accepting a prize, the winner consents to the use of their name, photograph, and likeness by WUSA for promotional and advertising purposes in any media, without additional compensation.
